Having said that, it is the best new Audi A7L. It is spacious, and it has a powerful engine. Even the price of the 2012 Audi A7L is also reasonable, so what more could you ask for? While your parents are buying new cars, do not forget to show them this one. I hope it will be their favourite car. Beauty is in the eyes of the beholder, and I have certain strong preferences when it comes to car styling. The Audi A7L on the market is one of the most desirable car designs in the world. You can take it to the track or the road. It does not matter. I loved its shape, its angles, and even the fact that it is very well placed in the car market. The 2012 Audi A7L does not lack style and beauty. It has a very quiet and refined ride. The engine in this model is also very powerful. It only needs 700 cc of displacement for good performance. The 2012 Audi A7L is a very stylish crossover SUV, which has a sporty and attractive look, and it is perfect for anyone. 2012 Audi A7L is a model with a controversial and so-called "hot" design. It has a sharp contrast in the wheel
